By closing this banner, scrolling this page, clicking the link or continuing to browse otherwise, you agree to the use of cookies. Caution: Electrical equipment. Read the safety instructions! Step 1 Make sure anker SoundBuds headphone* is turned on and the battery is fully charged. Do not separate the two devices for more than 3 feet while pairing. Step 2 The headphone automatically gets set on pairing mode and the blue LED shines fast. The headphone is now paired for pairing and can be paired with other Bluetooth enabled devices. Step 3 Turn on Bluetooth mode on your mobile device. It will automatically search for other Bluetooth enabled devices Choose anker SoundBuds Sport device from the list. Whether the pairing has been successful, the headphone LED will remain solid blue. - If your mobile device requests a password, please try combination 0000 or 8888. Step 4 Phones will always try to connect to the last used device (mobile phone, tablet, computer) once it is operated. If no connection can be established, the headphones return to pairing mode. If you want to connect Anker SoundBuds headphones* to another device, simply turn off the Bluetooth function on the first device (e.g. disconnect) or press both the volume key (<) and (>) for 3 seconds on the headphone. Anker SoundBuds Sport will switch back to pairing mode to connect to another device. Follow the above steps 1 to 3 again.
